 - 07/10/23: 4 activations.
- Upcoming surgeries at Brook Lane Coffee Co.:
 - 14th November
 - 5th DecemberAll 3pm to 4pm.

6) To receive any update from Wilmslow West and Chorley Ward Members. 23/103

CE Ward Councillor Michael Gorman attended the meeting and reported the following items of note from CEC: Currently there is a CE parking charges consultation open to the public, this doesn't affect Chorley Parish as they have no CE operated public car parks and there are no proposed changes to on-street parking in Chorley.

Wilmslow has a number of proposals being made following a decrease of 50% footfall on the high street since Covid. Wilmslow is in the process of gathering evidence against increased car parking charges. HS2 has now been cancelled by the government for its northern stretch; a number of AP notices had started to come through regarding junction alterations at the King's Arms Roundabout and in Ashley and at Morley Green. There is no way for a council to oppose this except by petition which could be looked at by either the Commons or the Lords. The government had encouraged CEC to take out an £11 million loan to provide apprenticeships for young people to work on various construction projects because of the HS2 scheme; this now being cancelled CE's loan will now have to be paid back causing further pressure on CEC's finances. There is a concern that CEC might be in a position of bankruptcy within two years unless drastic action is taken. CEC have appointed an interim CEO, and whilst residents have raised questions about the need for the position, it is a legal requirement set by the government.

7) Matters Arising **23/104**

- i. Update on deed of easement with the developers of the Laburnum Farm site. – The Developers and the council have been in contact to keep the deed of easement moving; however, it appears to be held up by the developers' solicitors.
- ii. Footpaths & Bridleways. - All councillors were asked to send all their data over to Cllr Rainey who will compile the information and pass to the clerk to be raised as one job with CE.
- iii. To discuss the hedge cutting at Dingle Avenue. – CPC will wait to see if this gets cut during the usual November cutting season.
- iv. Posts on Upcast Lane – CE Highways have now reinstated.
- v. Noted that CPC will switch on their Christmas lights on December 01st 2023. – residents may see them on for a short period before this whilst the timer is tested.

8) Highways Issues **23/105**

- I. Pavements – Incursions and overgrowth. – Mostly dying back at this time of year but noted footpath 26 is overgrown. Please let the clerk know if there are any areas that need attending to.
- II. To discuss the recent surface redressing of Knutsford Road and Line Markings. – Full surface redressing of Knutsford Road and all Double Yellow lines have been reinstated along with all the white lining as well as the white lining at Dingle Avenue. Also, 30MPH lining and SLOW warnings have been reinstated.
- III. Flooding of Foden Lane. – Another flooding location identified at the Knutsford Road end of Carr Lane – Reported to CE highways.
- IV. Sink Hole on Foden Lane.
- V. 20MPH School Sign on Knutsford Road. – Escalate back to Highways department with responsibility for this.

9) MOTION: To agree the CPC meeting dates for 2024. **23/106**

The CPC meeting dates for 2024 were agreed as below:

2) New Applications: 23/109

- a) 23/3499M CEMETERY LODGE, CHELFORD ROAD, ALDERLEY EDGE, SK9 7TQ - We, Chorley Parish Council have no objections to Application No. 23/3499M relating to The Cemetery Lodge, Chelford Road, Chorley, Alderley Edge.
We would however, assuming this application is approved, ask that the Developer is conscious that this Cemetery remains a very active burial ground for both Services and Visitors. We would therefore ask that a condition of the Approval be that the Developer and their Workers be mindful of this and despite the difficulties this may result in that the access be kept clear.
- b) 23/3377M 51, KNUTSFORD ROAD, ALDERLEY EDGE, SK9 7SH - We, Chorley Parish Council, have no objections to Application No. 23/3377M relating to 51 Knutsford Road, Chorley, Alderley Edge.
- c) 23/3637M United Utilities, CARR LANE, ALDERLEY EDGE, SK9 7SL - We, Chorley Parish Council have no objections to the Retrospective Planning Application No. 23/3637M., relating to United Utilities, Carr Lane, Chorley, Alderley Edge.
We would, however, wish the following comments to be taken into account. United Utilities, Carr Lane, we believe to be in the Parish of Chorley and would therefore ask that we could be copied on all future applications. This application was sent to Alderley Edge Parish Council and not ourselves.
The final comment is that a member of our Council walks the route past the Works on a regular basis and has not seen a blue Retrospective Planning Application notice. We express our concern only in that the Neighbours may not be aware of the Retrospective Application and are therefore unable to comment.

Weekly planning lists – circulated by email.
