

Chorley Parish Council Highway Faults Report Log Updated March 2018

Issue	Location	Date Reported	Log No:	Background Details	Lead Parish Councillor	Lead Ward Councillor	Cheshire East Contact	Status
Road markings/surface	B5085			All centre line marking require road closure, so be ideally best suited when included with further works, however 2016/17 funded programmes not finalised	Barry Durbar	Gary Barton/Ellie Brooks	jeremy.hough@cheshireeasthighways.org	Lynne.Nixon@cheshireeasthighways.org On going
Potholes	All Chorley Parish							
Erosion of pavements	B5085	01/02/2016		Routine S58 inspections continue to be carried out, to keep safe, however do you have further specific location of concerns, if so let me know	Kim Maxwell	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	Use "report it / track it tool" on CE Highways page. On going
Carriageway Repair	Outside Christopher Jackson Garage	12/03/2018	3325829	Carriageway in state of dis-repair with multiple potholes	Simon Watkins	Gary Barton/Ellie Brooks	CE Highways	Completed
Carriageway Repair	Knutsford Road Nr Junction with Foden Lane	12/03/2018	3325832	Carriageway in state of dis-repair with multiple potholes	Simon Watkins	Gary Barton/Ellie Brooks	CE Highways	Completed
Chorley Owned Street Lighting	Throughout Chorley			Ongoing issue with ownership/repairs/maintenance/electricity costs	Barry Durbar	Gary Barton/Ellie Brooks	Paul.Traynor@cheshireeast.gov.uk	An update should be available from Ian Darlington for the meeting of CPC 21-03-18 ian.darlington@cheshireeasthighways.org April 24th 18 - There are a couple of bits of the proposed works that we cannot do so I have been waiting on costs from the electricity board to arrive and luckily I did because they went up in cost last year! The cost to replace all the current lanterns in Chorley with Led together with 2 no column replacements (old and defective) and 2 pole mounted units (old and dangerous) - this will include all materials, installation, planning and management (with tests and commissions) is £7381.25
Signage	RAB B5085			30 mph/ school/HGV signs B5085	Barry Durbar	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	At the October meeting of CPC Simon Wallace from CE Highways agreed to install new school signs. Yet to be completed.
	30 MPH Sign on the Chelford Road Northbound carriageway	Sep-17		There is a 30 speed sign in Chorley on the Chelford Road on the northbound carriageway. Many Alderley residents are saying that the sign is in the wrong position because its by a bend and doesn't give enough time to slow down from 60 to 30. They want this moving to a better site, giving more warning.	Barry Durbar	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	Clr Craig Browne has contacted Clr Ellie Brookes so they can both take this to the Local Area Highways partnership.
Road Crossing	B5085			Promise of crossing at Chorley ednd of Upcast lane.	Kim Maxwell	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	On going
School Signs	B5085 near Upcast Lane			Old School Sign noted near Upcast Lane	Barry Durbar	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	Reported to both Jeremy Hough (LHO) and Simon Wallace.
Signage at roundabout	B5085			Reported to CEC signs too close to roundabout.	Barry Durbar	Gary Barton/Ellie Brooks	simon.wallace@cheshireeasthighways.org	Reported to both Jeremy Hough (LHO) and Simon Wallace. Response from Rob Welch at CE Highways: I presume this refers to the sign below. These signs have to be positioned within a short distance from a roundabout to indicate that it is a mini roundabout, it is not an advance warning sign. The visibility is adequate however, I am aware that it can be obscured by adjacent foliage and I will have this checked out
Blocked Grid	B5085			Grid blocked outside Avocet Steel. Longterm problem awaiting connection to main drain.	Margaret Rainey	Gary Barton/Ellie Brooks	andy.wilson@cheshireeasthighways.org.uk	Knutsford Rd, B5085, Chorley. Gully. Will be seeking UU approval to connect into UU c/way M/H cover, 2018/19 future scheme. April 18- awaiting another site visit with Heather from UU for their final approval, and if all ok, it will be placed onto the programme.
